Flexible crevice nozzle

Flexible crevice nozzle for car suction systems and industry/crafts

i.d. 38

Flexible crevice nozzle for OEM

Article no. 4800038.302

Packaging unit 100 pieces

fits TRUFLEX® 92.90L

anti-theft protection due to locking system

i.d. 38

Flexible crevice nozzle for spare part requirement

Article no. 4800038.303

Packaging unit 100 pieces

fits TRUFLEX® 92.90 and 92.90 L

easy assembly due to screw thread

i.d. 50

Flexible crevice nozzle for spare part requirement

Article no. 4800038.305

Packaging unit 80 pieces

fits TRUFLEX® 92.90 and 92.90 L

easy assembly due to screw thread

Use and properties:

- *adapts optimally to the working conditions*
- *torsion-free, therefore easy handling*
- *very flexible, thus high user benefits*
- *produced of weatherproof and UV resistant material*
- *possible to run over, therefore high working life*
